DELTA STATE UNIVERSITY

Delta State University is a coeducational, state-supported institution with an enrollment of over 4,000 students. Degree programs are offered at the baccalaureate, master, educational specialist, and doctoral levels. Delta State was created in 1925 as a teacher training institution and has developed into a multi-disciplined university preparing students for careers in a wide variety of fields and professions. The University is centered around a tree-shaded quadrangle that is the landmark of a 274-acre campus considered to be one of the most beautiful in the South.

Cleveland and Delta State are proud of the excellent relationship they share. Members of the community support the University totally, and the University reciprocates through a variety of services and opportunities that are made available to the citizens of the area. Delta State offers citizens the resources of a performing arts center, major library, art center, coliseum, and sports stadium. Examples of the spirit of cooperation are joint cultural and entertainment events sponsored by DSU and the Crosstie Arts Council of Bolivar County. DSU and the Delta Council co-sponsor several events each year, including the popular Delta Council Day, which has brought national leaders to the campus. DSU also hosts the Delta Region Science Fair for area school children.

Campus Information phone number is **662-846-3000**. Individual department listings are in the local area phone book.
